MEMORANDUM

TO: Metropolitan Planning Organization Committee Members

DATE: March 31, 2026

RE: **26TP013 – Resolution #2026-01: Rapid TRIP 2050 Metropolitan Transportation Plan Amendment #1**

Congressional Directed Spending (CDS) funding has been allocated to perform planning, preliminary engineering, and design elements for a Box Elder Regional Transportation Project, which includes Cheyenne Boulevard, County Highway 1416, and Radar Hill Road.

This project was not listed as a fiscally constrained project in the Rapid TRIP 2050 Metropolitan Transportation Plan (MTP). In order for the MTP to remain in compliance with Federal regulations, the MTP must be amended to include the project and demonstrate fiscal constraint. The resolution amends the MTP to include the Box Elder Regional Transportation Project to Table 40 on Page 115 of the MTP.

STAFF RECOMMENDATION: Staff recommends adopting Resolution #2026-01 Approving the Rapid TRIP 2050 Metropolitan Transportation Plan Amendment #1.
