RE: **26TP020 – Coordinated Public Transit - Human Services Transportation Action Plan Annual Update**

The Statewide Coordinated Public Transit - Human Services Transportation Plan was approved in July 2024 and identifies the gaps and needs in transportation related to persons with disabilities, seniors and individuals with low incomes. The plan provides strategies to address these gaps and needs, followed by priorities for implementing these strategies. An inventory of participating transportation providers was also provided. Agencies interested in receiving federal funds to help pay for vehicles, such as buses or vans, participated in this Statewide, Coordinated Public Transit - Human Services Transportation Plan.

This Action Plan Update identifies past goals, successes, coordination with other agencies, and newly set goals. The Coordinated Public Transit – Human Services Transportation Action Plan is updated annually to continue to address goals and any other changes to the plan.

STAFF RECOMMENDATION: Staff recommends approval of the Coordinated Public Transit - Human Services Transportation Action Plan Annual Update
